Mr Bennett has been away from the House for ten days and very little progress has been made. Most of the new legislation stands in his name on the Order Paper and, in consequence, no one else knows the details or can plot it through the House. A few changes are being made in the Farmers Creditors' Arrangement. Act. There are about 75,000 farmers in Canada and in the few months since this Act was proclaimed, more than 7,000 have applied to have their indebtedness written down. I asked the Minister about the position of the Preferred Creditor, i.e. the creditor or company that had a secured claim against the assets of a farmer who had applied to come under this Act. He said the Court of Review certainly had the power to cut down his claim. The Board could reduce a first mortgage or make any arrangement they saw fit regarding taxes or any other debts. A farmer who wishes to have his debts adjusted must first apply to the Commissioner and there is one appointed in every Judicial District. That a mortgagee can sue for the creditors and the whole situation as regards the farmers' assets, liabilities, prospects and record is set forth. If a settlement can be arranged that is the end of it for the

Strathmore is Proud of its Hockey Team

Another successful hockey season has come and gone with a distinctly pleasant memory lingering in the minds of all the local fans. The fans are delighted with the team's performance during the winter almost past and look forward to next winter, in the new covered rink, with much more hopeful expectation. That they are justified in their pleasant memories and hopeful expectations is no exaggeration when it is remembered that of 23 games played 9 were won, 9 were lost and 5 were tied. These games include the playoffs. In goal scoring the team registered 75 to 70 against. In the early part of the season we were continually being taken to the cleaners by almost all teams but in the last part of the season the team was stepping along with the best in the Bow Valley League. In the Provincial Intermediate playoffs we got in to the semi-finals and were only eliminated by the fast stepping Maple Leafs of Lethbridge. We might possibly venture the opinion that the absence of George Giroux from the team in the fore part of the season had a great deal to do with the team's standing up until the first of the year.

Something new is a majority of the local fans was tried out this winter in the operation of the Bow Valley League. The league was made up of

time. If an agreement cannot be made then the matter will be brought before the view examine the case and they have wide powers and their decision is final. As a complement to this Act there is the Farm Loan Act. It may not always work out but it is, in a general way, anticipated that when a final written down is made that the farmer will be able to borrow the amount to be given in settlement of his debts from the Farm Loan Board. This was the intention of the Government as it was realized that the creditors would take less if it was coming in cash.

On Wednesday, the Minister of Railways asked for \$20,000,000 to encourage the Tourist Trade. All the room members told of beauty spots in their own constituencies. The lovely Rocky Mountains were compared with Switzerland. The highest point in the world was pointed out in the Rockies. New Brunswick had its Salmon Fishing and Moose Hunting. Nova Scotia was pictured as a paradise on earth and Toronto's Winter Fair and Jack Miners Bird Sanctuary were described in glowing terms.

All correspondence, and news items must be in the Standard Office Wednesday morning to ensure publication in the week's issue.

Congratulations to Mrs Hyde's rink which won the Dawson Cup, the coveted prize of the season, accompanying prizes being prize plates. It was a well deserved triumph. Mrs Hyde's rink being a close second.

The regular meeting of the W. I. will be held at Mrs Dewitt home on March 20th at 8 p.m. Mrs Clark constituency convenor will give a report of the convention at Lethbridge. Mrs Lonsbury will read a paper on Agriculture. Hostesses Mrs Seales and Mrs Teare. All members urged to attend.

TOWN COUNCIL

At a meeting held last week the Town Council taking into consideration recent successes of our hockey team were unanimously of opinion that there should be some suitable recognition of their services from the rateragers. Councillor Quinn moved that members of the team, their wives and families, the executive and officials, be invited to a banquet under the auspices of the Town Council. The matter was left in the hands of Councillors Keeling and Quinn to make all necessary arrangements.

Members of the Town Council desired to place on record their sincere respect and sorrow at the death of Mr W E Brown, who for many years was a member of our team in the rink, and that an expression of their deeply felt sympathy be conveyed to the widow and family.

Douglas Grant is engaged for the spring work with F. Winkler of Shoultice.

Roy Sheets and Bailey Schriber attended the dance given for Mr and Mrs Sandy Perry at Moosebrook.

Craigknigh school is putting on their spring dance automobiles under the direction of Mr M McDonald on the 29th of March.

The U F A dance at Standard last week was well attended by school teachers, fifteen or more being present. It is too bad Mr Baker was not there to address them. The number of education lists teachers to patronize U F A gatherings.

The meeting of the local branch of the Legion held last Tuesday was well attended, the members being eager to elect officers for a new term. Sponsors were eloquent in making known the merits of the candidates they favoured, and in many cases more than one ballot had to be taken before the officers were elected.

No article dealing with the hockey team would be considered complete without the team themselves paying deserved tribute to the fans who so loyally turned out in all sorts of weather. We might almost call it support of the fans is decidedly appreciated by the boys. And now we hear that the local president of the Council, Mayor Norbury, has arranged for a banquet for the team so that we can close this article with anticipation of the part we will take in the support of the boys. They were successful season in the winter of 1932-1933, in the new covered rink.

Local News Items

The Standard is indebted to Mayor for Confirmation and the Congregation for the interesting article on our Hockey Team in this issue. The banquet is to be held Monday night.

In his address to the Candidates for Confirmation and the Congregation of St. Michael's Church, on Sunday last, Dr Sherman drew attention to a scene from "Pilgrim's Progress" and the House of the Interpreter where the heavily armed man says to the scribe, "Put down my name, Sir", and then bows his head to the scribe against great odds. The Bishop likened the scene from the story to the present necessity for coming out strongly on the side of right and godliness, whatever the odds.

The Christian. The hymns sung were: Approach, my Soul, the Mercy Seat; Our latest Redeemer; Come gracious Spirit, heavenly Dove. Take my life and let it be consecrated, Lord, to Thee; and, The Day Thou gavest, Lord, is ended.

Mr W Sallis gave a very clear outline of the principles of Social Credit as understood by him and also answered several questions, which was much appreciated by all.

Mr Teare spoke.

The meeting was then thrown open for discussion.

Moved by Mr Bailey that meeting adjourn.

Radio kindly installed by Mr Shrimpton enabled the members to hear the Albertan broadcast at a late hour.

The next meeting Tuesday March 19th at 8 pm in Harmer's Hall. All are urged to attend.

A Constituency Convention will be held at Strathmore for the purpose of nominating delegates to attend the Convention in Calgary probably Friday 22nd at 1 p.m.

The local Dramatic club held another very interesting meeting Saturday last. The story of "The Jet", written by Chekov was dramatized and read by Misses Gordon, Florence and Alice (our old troupe) in a most suitable manner. The play was read by Mrs Moore, and both protoked interesting discussions. Mr Crowther presided.

Mr Patterson and family are moving this week to the Eves place, owned by Mrs Dewitt.

CRAIGKNIGHT

The surplus over clearing expenses on the play and dance held at Moosebrook hall was over forty dollars. It was very encouraging for a start the young people will do better next time.

The funeral was conducted from the Armstrong Funeral Parlors to St. Mary's Cathedral, Thursday, at 10 am, where Requiem Mass was sung in memory in St. Mary's Cemetery following Rev. Father Cosman of Strathmore conducting the Service.

To be bereaved family the sincere sympathy of the community is extended.

HIRTLE'S THEATRE

Miss Mida Hughes was the ticket drawn at the Hirtle Theatre Friday night last. Unfortunately Miss Hughes was not present to claim her prize and now there awaits \$25 for the lucky winner Friday next.

Legion Elects Officers

Mr M Carter, D N Gardiner and A D Shrimpton. Arrangements are under way to celebrate Vimy in a similar manner as last year. After the business the usual never ending discussion of topics of the day was resumed. The meeting was well attended, and employment insurance, Socialism and Communism were touched but not covered. The names of Albert Hart, Karl Marx, Adam Smith and Major Douglas were quoted as authorities, and one salient point was illustrated with the aid of a map and a rubber stamp. The member from Butterfield raised a storm of protest and rebuttal from the members of Greenleaf and the others. They were still at it when the scribe departed well after midnight.

Mr and Mrs McGlashan who spent the week end with Mr and Mrs French left Tuesday morning for the town of Yorkton, Sask.

Miss West, missionary in India for a number of years is expected to arrive in Strathmore next week on an extended visit with her mother, Mrs Holt West and other friends.

SOCIAL CREDIT MEETING

The fourth meeting of the Strathmore Social Credit Study Group was held March 12th at 8 pm with an increased number of attendance. Mr Hirtle, vice president in the chair. Minutes of previous meeting were read and adopted. Replies to questions submitted to Mr Abernethy were read.

Mr W Sallis gave a very clear outline of the principles of Social Credit as understood by him and also answered several questions, which was much appreciated by all.

Mr Teare spoke.

The meeting was then thrown open for discussion.

Moved by Mr Bailey that meeting adjourn.

Radio kindly installed by Mr Shrimpton enabled the members to hear the Albertan broadcast at a late hour.

The next meeting Tuesday March 19th at 8 pm in Harmer's Hall. All are urged to attend.

A Constituency Convention will be held at Strathmore for the purpose of nominating delegates to attend the Convention in Calgary probably Friday 22nd at 1 p.m.

DEATH OF MR FRANK KOREK

The sudden death of Mr Frank Korek, brought a feeling of sadness to his many friends as the word that he had passed away Monday night following an operation for appendicitis became generally known.

Mr Korek came from Poznan, Poland in 1908 and has resided in the Strathmore district ever since.

He was known as a successful farmer, a good neighbor and a good citizen. He is survived by his wife, and sons Stanley, who lives on a nearby farm and Walter in Edmonton and two daughters Annie and Mary in Calgary.

The funeral was conducted from the Armstrong Funeral Parlors to St. Mary's Cathedral, Thursday, at 10 am, where Requiem Mass was sung in memory in St. Mary's Cemetery following Rev. Father Cosman of Strathmore conducting the Service.

To be bereaved family the sincere sympathy of the community is extended.

Strathmore Local U.F.A. Endorses Social Credit

"While we are 100 per cent for Social Credit we are also 100 per cent for the preservation of our United Farmers of Alberta organization. We believe that we can have Social Credit in Alberta and at the same time have our U F A."

This was the unanimous decision of Strathmore Local No. 58 of the United Farmers of Alberta at a well attended meeting held in the hall of the local secretary, W E Springfield on March 6th.

President Angus Watson, although suffering from a very severe cold, presided and a good attendance was present, considering the inclemency of the weather.

The report of Bert Hoffman, delegate to the meeting of the Co-operative branch of the U F A in Calgary was received. The principal business of the Convention was the completion of a consolidation of the U F A and U G G in the handling of binder twine, coal and other farm necessities.

The matter of the purchase of oil, gasoline, petrol, formaldehyde, fence posts and other farm necessities was thoroughly discussed, a meeting will be held in Strathmore on Wed. March 20, at which time bids for these commodities will be asked for.

A discussion of the U F A Provincial Platform was held and many discussions were asked on various points, all of which were explained by S. M. Garriett, delegate to the U F A Convention from this local.

After a brief discussion of social Credit, the meeting unanimously passed the following resolution on the subject:

Resolution of Confidence.

Whereas, the present severe depression has caused untold physical and mental suffering among the people of this province and dominion, thereby giving rise to many suggested solutions of our problems, and

Whereas, several systems of social Credit, including a proposed system to be introduced by our U F A Government, have been introduced to our people in their distress as an immediate measure of relief and

Whereas, our U F A organization for twenty-five years has been the foremost advocate and most consistent agency of reform legislation in this Province, therefore be it

Resolved, by Strathmore Local No. 58, of the United Farmers of Alberta, that we sincerely urge upon our Membership throughout the province, the utmost necessity of supporting and joining our organization in a single unit for the advancement of reform legislation for our relief, and further, that we have absolute confidence in the ability and willingness of our U F A Government to bring into effect a social credit system of Social Credit, and that we fully and sincerely believe that this U F A Government which we have patiently, and consistently created in this Province, should be the sponsor and administrator of any system of Social Credit introduced into the Province.

Alberta Young Liberal Conference

In Calgary, a score of active young Liberals have organized a Campaign Committee of the Young Liberal Club. The aim of this committee is threefold: A thorough study of the Provincial platform in preparation for campaign work.

To organize and help Young Liberal Clubs in Southern Alberta and make a chain of clubs coordinating with a central organization committee in Calgary.

Preparation for a Young Liberal Conference in Alberta and ultimately a Western Conference. This conference will be held in Calgary April 26 and 27.

In order to successfully organize Young Liberal Clubs in Southern Alberta ten members have formed an organization committee. By contact through persons or by correspondence the aid of the committee for the organization of Young Liberal Clubs in ten or twelve separate districts in the southern part of the Province.

members.

Heretofore there will be no competition between these two farm organizations and the facilities of the 220 U G G elevators in Alberta will be used as distributing agencies for U F A binder twine, coal, and other necessities of farmers.

It is hoped that ultimately the wheat pool will also be included in the combination of facilities for the distribution of the farm needs of the Province, thus completing the co-operative movement among Alberta farmers.

Five delegates to the coming constituting convention in Glenora U F A constituency were elected, as follows: Angus Watson, Bert Hoffman, Jack Houston, S F Garriett and Dave Englebert.

This constituting convention will be held in Strathmore at a date to be announced.

The matter of the purchase of oil, gasoline, petrol, formaldehyde, fence posts and other farm necessities was thoroughly discussed, a meeting will be held in Strathmore on Wed. March 20, at which time bids for these commodities will be asked for.

CROWFOOT

An event of great interest to the music lovers of Crowfoot was the musical Recital, arranged by our very capable music teacher, Mrs. N. F. Nilsson, and held at the spacious home of M. and Mrs. Garriott on Friday evening, March 8th. The following programme was produced in beautiful style, showing great advancement, enthusiasm and interest and many hours of earnest work put forth by the pupil and teacher:

London—Myrtle Stanger, Solitude—Opal Englund, Spring's Charm—Opal Englund and Olive Garriott, Sonatine—Hillevie Nilsson, Choral Melody—Olive Garriott, Child's Ball, duet—Greta and Helvina Nilsson, Lazy Mary—Margaret Harvey, Cuckoo Song, duet—Margaret Harvey and Bjorn Nilsson, Turkish March—Katie Nilsson, Waltz—Jean Weaver, Through Field and Forest—duet—Katie and Helvina Nilsson, Sweet Clover—Myrtle Stanger, The Happy Soldier—Greta Nilsson, Little Haymakers duet—Myrtle Stanger and Hillevie Nilsson, Oh What Joy—duet—Greta and Mrs. Nilsson, Stammer Song—Olive Garriott, Reverie—Bjorn and Mrs. Nilsson, Gray Dances—Opal Englund, Zimmers Waltz—Hillevie Nilsson, The Owl's Song—Margaret Harvey, Alexandria March—duet—Margaret Harvey and Bjorn Nilsson.

All of which brought forth much enthusiasm and hand clapping from the delighted guests.

An extremely interesting feature of the evening was the presentation made to Mrs. Nilsson, by little Margaret Harvey, of a very beautiful bouquet of Daffodils and Tulips, given as a token of the love and esteem in which she is held by her pupils.

Mrs. Nilsson responded in a most gracious manner, expressing her pleasure and delight in teaching the children so that more homes can be made beautiful and happy with song and music.

Mr. David Englund on behalf of those present, congratulated Mrs. Nilsson on the splendid work that she is doing in this community. Later in the evening Mrs. Chas. Grant, the talented violinist from the Cam-Road district and Mr. Frank Stanger, delighted the guests with some very beautifully rendered violin and vocal selections. A happy social hour over delicious refreshments brought the most enjoyable and successful evening to a close.

We regret to report that Mrs. H. G. Scheer has been ill for the past week. We hope sincerely for a very speedy return to health.

We regret exceedingly that Mr. and Mrs. Cocky and family are leaving this neighbourhood shortly. They will reside in future on a farm South of Strathmore.

Miss Mary Scheer of Calgary is home for a few weeks vacation with her parents Mr. and Mrs. H. G. Scheer.

Many admirable glances are being cast at the very beautiful, geminal, 1935 Ford V8 that is in the neighbourhood. Happy owner—Mrs. Gladys Morgan.

CARSELAND

Card parties have been the vogue for the past two weeks. Mrs. C. Fryer entertained in her home, as did winners were Mrs. Gardiner and Graham Forbes, and consolations fell to Miss P. Laurie and H. Gardiner. Lucky number prizes were won by Mrs. R. E. Hoover and Graham Forbes.

Wednesday Mrs. Ed Nilsson and Mrs. W. Greenwood were hostesses at a card party in the school, when first and second honors went to Mrs. G. Morrison and Mrs. C. Holland, and to Mr. G. Burke and Bert Cole, while second low and low were carried off by Mrs. E. E. Arnold and Miss Maud Morrison, and by G. D. Peck and H. Gardiner.

Mrs. Barlow entertained on Friday in the school when winners were Mrs. Hoover and Graham Forbes, with losers being Mrs. Arnold and C. Fryer. Lucky number prizes were won by Mrs. Hoover and John Christensen.

Mr. Wilmut of Calgary held Social Credit Meetings in Carseland Thursday, and at Dalmead on Monday evening. At Dalmead the question period lasted some two hours so that the questions were thoroughly covered.

Saturday afternoon at the home of Mrs. C. G. McLeod a shower was held in honor of Miss Grace Ostrom, when about forty ladies did honor to the occasion with a great variety of useful gifts. In a pretty little mock ceremony two girls and three boys took part. Vivian Hoover, Doreen Standley, Paul Ostrom, Eddie Bishop and Eddie Barlow. Miss L. Dick sang a solo.

EDITORIAL NOTES

—:O:—
A battle of words across a table is better than a battle of bullets across a barricade.

We are living in a critical time and it remains to be decided whether we choose to go down with materialism, or up with devotion to the cause of humanity. Mrs. F. D. Roosevelt.

Are the younger people of Alberta taking an interest in political questions? The Campaign Committee of the Calgary Young Liberal Club believes so and in accordance with this idea has announced through its chairman R. W. Watson, plans for a conference of Young Liberals to be held in Calgary on April 26 and 27. It will be the first of its kind to be held in Canada and already promises to be a success far beyond the most extravagant ambitions of its sponsors. Enquiries have elicited enthusiastic support from all parts of Alberta.

C. C. Henshaw, chairman of the Dominion Committee wishes all resolutions for debate at the conference to be forwarded to him at an early date in care of the Young Liberals Campaign Committee, 601 MacLean Block, Calgary.

Among the varied social activities to take place in Calgary during the conference definite arrangements have already been made for a big dance and a trip to the Olympics at Turner Valley.

THE WEEK IN THE LEGISLATURE

—:O:—
Edmonton, Alta. The week just past has witnessed important matters taking place in the Alberta Legislature. Important resolutions being discussed and the new budget being presented. The last named measure being the one that awakens most interest in the minds of citizens, it is fitting to consider it first, and to the greatest extent.

It will be welcome news that no new taxation is to add to the already overburdened taxpayers of Alberta, excepting an increase of one cent a gallon on gasoline, which has been forecast for some weeks. The outstanding feature in the governments fiscal measure, and the one which is awakening a lot of interest in and out of the province, is the proposal of the provincial treasurer for reducing the debt burden of the province by a new refunding scheme, which appears practical and sufficiently simple to be

workable.

It is a plan for refunding \$13,000,000 of debt, by which the government hopes to save \$2,000,000 annually. An estimate deficit of \$695,472 is being budgeted for the fiscal year ending March 1936.

The new refunding plan suggested by Hon. J. R. Love, provides that \$8 million dollars of the provincial debt would be converted into consolidated perpetual stock bearing interest at three per cent; the interest only being guaranteed by the dominion government. The remaining \$5 million dollars of debt would be converted into 30 year serial debentures of equal annual instalments of principal and interest, bearing interest at three and one half per cent. The sinking fund provision would be eliminated under this plan, which is entirely new in Canadian governmental financing. The details of the plan are sure to be given careful study by the legislature during the next few days.

Another important matter that came before the house was a resolution, unanimously adopted by the house, urging on the federal government that the ban be placed against all unseemly immigration into the country. The resolution was moved by Dr. W. A. Aikman, Conservative of Edmonton, who pointed out that while the immigration policy of the dominion was that of the federal government, the province had suffered by the admission of mentally affected and morally unsound immigrants. The resolution, subscribed to by all parties, asked that the most careful selection of immigrants at the place of their origin be practiced in future.

At the suggestion of a resolution adopted by the house an invitation has been sent to William Aberhart, of Calgary, widely known advocate of social credit, to come before a committee of the house and expound any plan for social credit he may. Every assistance will be given Mr. Aberhart, if he comes, but there are rumors that he may not accept the invitation. It was pointed out by several speakers that the Calgary social credit advocate has always stated that he had no definite plan to offer, only a principle that he is convinced can be worked out.

The R. C. M. P. are to stay in Alberta and conduct the provincial policing, according to the indications in the budget, where in the estimates an appropriation of \$225,000, the same sum as the year before, is set aside for that purpose. Of this sum \$175,000 is the annual payment to the dominion government and \$50,000 additional for the transportation and maintenance

Debate on a resolution moved by L. A. Giroux, of Grouard, Liberal, calling for the straggling out of the Lesser Slave river, beside the diverting of the flood waters of the West. Little Smoky river occupied some time in the house. Mr. Giroux thought the cost of the work, which would save \$50,000 of the cost of the flood area, and the cost of the flood prevention, had estimated the cost of necessary work at \$250,000.

Debate on the budget began Monday and will likely continue for some days. It was the first budget of Hon. J. R. Love since he assumed the post of provincial treasurer when the Reid government took office last July.

NAMAKA

Mr. and Mrs. Herbert, Namaka farm, are the proud parents of a girl baby born on Wednesday March 6.

Mr. Stultens left Sunday for Stano and where he will spend a couple of weeks at the home of his daughter Mrs. Foss.

Arrangements have been made by the trustees to hold school in the I. O. O. F. hall for the balance of the term. The teachers and pupils were all back on duty on Monday morning. The new desks arrived in time for the opening. It was unfortunate that nearly all of the teachers and pupils books were destroyed in the fire.

A public meeting of the Alberta Wheat Pool will be held in the I. O. O. F. hall on Monday March 18th at 8:30. Mr. Lew Hutchinson, director Alberta Wheat Pool, and Mr. J. A. McArthur will address the meeting.

Mr. Oren Lowe one of Namaka's old timers called on friends during the week.

Mr. Joe Nohet returned, spending after three weeks under the doctor's care, we are glad to know he is feeling much better.

ROCKYFORD

Mrs. George Muchlener entertained at the home of Mrs. E. M. Gibson last Wednesday afternoon at a miscellaneous shower in honor of Mrs. Woodrow Wagner of Chancellor, who was before her marriage Miss Ruth Ioon. Many friends called during the afternoon. A guessing contest was a feature of the afternoon. Mrs. R. L. Stone whose answers were all correct was presented with a beautiful cup and saucer for her efforts. Mrs. Stone and

wered in a few words. Just before lunch was served a pretty decorated basket laden with gifts was presented to the bride. Mrs. Wagner received many beautiful gifts, and also was presented with a book of favorite recipes recently presented. A dainty lunch was served and everybody gave some advice to Mrs. Wagner.

Mrs. L. W. Pomeroy is still very ill but reports today were that she was slowly improving.

The curling club took advantage of the cold weather at the week end and staged a green local bonspiel. Skips entering had to have at least two new curlers known as a green curler. Many rinks entered, some rinks included lady curlers.

Mr. P. Colbert of Canmore formerly of Winona was a visitor over the week end, visiting with his daughter Mrs. Ray Irwin and grand daughter Ruth.

Mrs. Laura Rudd whose marriage will take place shortly was entertained in Calgary recently by her friend Mrs. H. E. Moore at a gift tea.

Mrs. H. E. Williams was a Calgary visitor last week.

We are sorry to hear that Victor (Dobolski) was taken to a Calgary hospital last week with an attack of appendicitis, owing to a severe cold the operation had to be postponed.

Mrs. A. J. Wilesp spent Tuesday shopping in the city.

The Catholic Women's League are holding a St. Patrick's tea in St. Waldo's church on Saturday afternoon March 16th.

Earlier Years
—:O:—

25 years ago on the 12th of March
Mr. Harold Rison saw the goose fly-
ing north. A number of Strathmore
residents accused Mr. Rison of "see-
ing things," but he was correct, and
Spring opened up very early. But in
contrast Mr. Rison recalls another
year when he was one of the first to
do any seeding, starting on May 6th
when at that date the ground was so
heavy the horses sank well up to
their knees. But a bumper crop fol-
lowed.
